2016 CESTiCC Summer Workshop

CESTiCC will host its annual summer workshop on August 12 in Bozeman, Montana. The workshop will provide an opportunity for exchange on subjects of environmental sustainability in transportation. The workshop will highlight and showcase Center researchers' work and will feature presentations from ongoing and recently completed research and tours to research field sites. Research sponsors and collaborators are welcome and encouraged to attend. If you would like to participate or present your work, please submit the attached application and indicate if you would prefer a lectern or poster presentation, or if you will participate as an attendee.

Where: Western Transportation Institute

Montana State University
Bozeman, MT 59717

When: Friday August 12, 2016 (This is a one day workshop)

Who: CESTiCC Researchers, Sponsors, Collaborators, Advisory Board Members, and Friends

Transportation professionals from highway agencies, industry, and academia, etc.

Registration: \$50* (On-line registration will be available shortly)

**Lunch, snacks and beverages are included. An optional Saturday Fieldtrip to field research sites and Yellowstone National Park is available for an additional cost of \$50.*

Submission: Please submit a 500 word abstract, title, author, and contact information for the project you would like to present to Laura Fay at laura.fay1@montana.edu by **June 20**. You will be notified by July 1, 2016 of your invitation to present and the type of presentation.

Authors are responsible for creating and bringing their presentation materials or bringing a printed poster to hang. Places to hang posters and pins will be provided, as well as computers and projectors for lectern presentations.

Questions and comments can be directed to Laura Fay at the Western Transportation Institute at MSU at (406) 600-5777 or via email at laura.fay1@montana.edu, or visit the CESTiCC website for more information: <http://cem.uaf.edu/cesticc/>
